Horticulture Division Rules

1. Exhibitors do not have to be members of any rose organization, except as noted in the schedule for Carolina District Challenge Classes 37 – 39.
2. All specimens should be properly identified and tagged with an official entry tag to speed handling. **Be sure your blooms are properly identified. The Show Committee will not assume responsibility for identifying varieties.** Entry cards will be available upon request before the show and exhibitors are urged to secure them and fill them out in advance. Exhibitor's number will not be assigned.
3. Stem length and foliage should bear a pleasing relation to size of bloom. Judges will penalize entries with too long or too short stems.
4. Exhibitors from the same garden may enter a variety only once, but as many varieties as they desire in any given class.
5. Uniform vases will be furnished by the Cleveland/Lincoln County Rose Society on a first come, first served basis. WEDGES may be used to position a specimen. Foil, plastic or Styrofoam may be used as wedging material, but such material should not protrude above the container. A collection of Large Roses may be exhibited in one vase.
6. Entries must be properly listed in the current edition of either: Modern Roses, Handbook for Selecting Roses, The American Rose Annual, The American Rose Magazine or International Register of New Rose Varieties. Classification shall be according to the most recent of the publications. A rose with two or more names must be entered under its ARS approved name or code name.
7. Novice class is limited to exhibitors who have never won a blue ribbon in an ARS accredited show. Novices may also enter other show classes.
8. Sprays must have two or more blooms and are judged for overall form, individual floret form in inflorescence.
9. Large flowered climbers (LCI) and Ramblers are to be entered in Section C. All other roses with the word "climbing" as a part of the horticultural classification are to be entered in the same classes as their respective bush counterparts.
10. Judging will be on standards set by the American Rose Society. All decisions of the judges will be final. Judges may refrain from making an award in a class if quality of bloom does not merit such.
11. **No unauthorized persons should expect or ask to be admitted into the exhibition area during judging.**
12. Generally, the rose is in its most beautiful form for judging when one-half to three-fourths open. Tight buds do not show the character of the bloom and cannot be properly judged. Petals must not have been visibly removed from the blooms. Dust and spray residue should be absent and the foliage should be clean. Oiling of foliage will not be permitted. Failure to observe these points will cause penalties.
13. All flowers remain in place until the show is ended. However, the Rose Show Committee reserves the right to remove badly wilted roses. **Awards to be collected by exhibitors by 3:00 PM on the day of the show. No awards will be mailed. Certificates to remain on the tables until 4:00 PM.**

14. When the show closes at 4:00 PM, the horticulture specimens shall become the property of the Cleveland/Lincoln County Rose Show Committee. At closing time, they will be sold to the public. The proceeds will go to the Cleveland/Lincoln County Rose Society.
15. The Queen, King, Princess and Prince of Show shall be selected from blue ribbon winners in Classes 1, 20 and 23.

SCALE OF POINTS FOR JUDGING SPECIMEN BLOOMS

17. Only blue ribbon winners are eligible for awards. The award for each class will be given for the best blue ribbon entry on the head table.
18. Neither the ARS, the Cleveland/Lincoln County Rose Society, nor the Leona Neal Senior Center will assume any responsibility for damage to personal property or personal injury. All due precautions will be taken, but owners must assume risk.
